

# The Indian Geographical Society

Department of Geography, University of Madras

Chennai – 600 005, India

Established in 1926; Registration Number - 256/72

Tiruchirappalli - 620 024

Date: 02 May 2018

Dear Colleagues:

Greetings from The Indian Geographical Society, Department of Geography, University of Madras, Chennai and Bharathidasan University, Tiruchirappalli !

The Society is actively engaged in organizing annual conferences, workshops, Talent test examinations to UG and PG students, felicitate the retired teachers of Universities and Colleges and so on from 2009 onwards.

However, due to various tangled issues, the Indian Geographical Journal (ISSN: 0019 – 4824) could not be brought out in time. Now, it has been decided to update the publication of the Journal with a few attractive sections in the Journal.

The list of Guest Editors and the themes of special volumes are given below. The authors who wish to contribute can *send their original research articles to the Guest Editors* for publication **before 30<sup>th</sup> June, 2018**. And, in this regard, please see the Information to Authors before preparing and sending the soft copy of the articles to the Guest Editors.

I wish to remind you that the first meeting of the Madras (Chennai) Geographical Association was held at Wellington Training College, Madras on the 31<sup>st</sup> March 1925; the inaugural meeting came off on Tuesday the 16<sup>th</sup> March 1926 at the Presidency College, Madras and the first formal meeting at the Senate House, Madras University on 19<sup>th</sup> February 1926.

To commemorate these events and to organise the Centenary Celebrations of the Indian Geographical Society, the young team is to get ready for the same. I hope the Journal would be a fitting source to announce and accommodate the events regularly.

We assure you that the activities of the Society, publication details and other related information will be updated regularly and you can see the updations of the Society in this website: <http://igschennai.org>. Any outstanding grievances regarding publication of the articles in the Journal could be brought to the knowledge of the Editor for proper redressal.

We request your kind cooperation in updation processes of the Journal and also for the forthcoming Centenary Celebrations of the Society. The UGC has approved the Journal (41198) and the ISSN number is 00194824.

A handwritten signature in black ink, appearing to read 'K. Kumaraswamy', written over a horizontal line.

**Prof. K. Kumaraswamy**

Editor - The Indian Geographical Journal
